Overview:

I joined Dundalk Photographic Society in 2005 after completing the Beginners classes. I use a Canon 5D, and a conn 20D converted for infra red photography. I mostly use an EF 17-40mm f/4L Canon lens, I also have an EF 24-105mm f/4L lens.

I won the Non-Advanced section of our club league competition in 2006 and moved to the Senior section where I am currently competing.

I am a landscape photographer and particularly love coastal scenes. In 2008 I submitted a panel for a Licentiate of the Irish Photographic Federation and was successful.

I hope you enjoy my photography 😊.
