**Overview:**

I joined Dundalk Photographic Society in 2005 after completing the Beginners classes. I began by using a Nikon D70, progressed on to the D80 with a Nikon 17-55 f2.8 lens. I now have a Nikon D2. I take a variety of photos ranging from portraits to landscape and have tried my hand at still life. I won a national medal in the print & projected images competition in 2006 with my 'Mermaids' image, and I won the black & white section (non-advanced) of our annual exhibition with my image of 'Friends'. I am now in the advanced section of DPS.

I shoot mostly portrait and landscape photography, and I hope to aim for my L panel in 2011. My photos can be seen on flickr [www.flickr.com/members/marieagnewphotos](http://www.flickr.com/members/marieagnewphotos) and on the DPS website I hope you enjoy my photography ☺.
