Overview:

I joined Dundalk Photographic Society in 2008 after completing the Beginners classes. I use a Canon 7D mostly with a EF 28-135mm f/5.6 Canon lens and my 10-22mm Sigma lens mostly. I also like to use my 50mm f/1.8 for portraits. I won the Non-Advanced section of our club league competition in 2009-2010 and moved to the Advanced section where I'm currently competing.

I like to shoot mostly landscape and portrait shots but like the odd still life shoots, especially if I come across a nice old shop or antique store.

I have just achieved a Licentiate ship on the 28th of November 2010 by submitting a panel of 10 images to the Irish Photographic Federation and was successful. I hope to try and get my AIPF over the next year or two.

I'm on Flickr at www.flickr.com/members/mackinmicheal. I hope you enjoy my photography ☺.
