**Overview:**

I joined Dundalk Photographic Society in 2004 .I use a Canon 5D Mark two with a EF 24-105mm f/4L, 24-70 f2.8 L series lens and 70 - 200 f.4L series Lens. I won the Non-Advanced section of our club league competition in 2006 and moved to the Advanced section where I've since competed. I gained my LIPF November 2006.

I like to shoot mostly landscape and portrait shots. In 2006 I submitted a panel for a Licensorship of the Irish Photographic Federation and was successful. I hope to try and get my AIPF over the next year or two.

I've my own personal website at [www.patsphotography.com](http://www.patsphotography.com) and on Flickr at [www.flickr.com/photos/patmchenry2010](http://www.flickr.com/photos/patmchenry2010). I hope you enjoy my photography ☺.
