

## **Ciaran DeBhal does unprecedented Hat-trick after successfully defending his DPS Photographer of the Year title in 2009/2010, Charlie Flynn wins the Advanced Section & Micheal Mackin wins the Non-Advanced Section**

Ciaran DeBhal successfully defended his Photographer of the Year title in 2010 by conclusively winning the Senior Section again this year, thus making him the first DPS photographer to do an unprecedented hat trick of consecutive titles.

It was an extremely hard fought competition again this year with a number of photographers like Gabriel O'Shaughnessy and Brian Hopper being in with a chance close to the end.

Congratulations to Ciaran on a fine result. He has decided to take a well earned rest in the 2010/2011 season after his triple success.

Congratulations also to Charlie Flynn for winning the Advanced Section and Micheal Mackin for winning the Non-Advanced section.

An overview of final results in the different sections is below and detailed results for all members are included in the next pages.
