

Success for Dundalk Photographic Society at 2011 IPF Print and Projected Image Finals

Dundalk Photographic Society had a very successful weekend at the 2011 IPF Print and Projected Image Finals on the 19th & 20th February 2011 in the Athlone Institute of Technology. Club members claimed 5 of the 6 Gold medals on offer and 11 of the 21 overall prizes that were up for grabs.

Congratulations to all members on their great results and to everyone who entered. Some of the successful images and photos of the presentations can be seen after the results below.

The overall best image prize went to Arthur Carron from Dundalk Photographic Society for his black and white image 'Stare' which also saw him take first prize in the advanced monochrome category.
