Clubmembers at the IPF Regional Round of the Print & Projected Images were very successful, with our senior members winning 5 of the 6 Senior Sections and with Michelle McNally's Image 'Lucy at the door' winning best overall image.

The Other winning images and Authors were:

Best Open Projected: Dave Martin 'Caught in the Act'

Best Themed Projected: Gabriel O'Shaughnessy 'Smoker'

Best Themed Mono Print: Gabriel O'Shaughnessy 'Mickey Morris'

Best Open Colour Print: Ciaran deBhal 'Daisies at Dawn'

Best Open Mono Print & Overall Best Print: Michelle McNally 'Lucy at door'.

Canon Ireland very generously agreed to sponsor both the regional rounds and the national finals of the National Print & projected Image competition. Michelle was awarded a Canon Pixma MG6250 A4 colour photo printer (CNet Editor choice November 2011) for having the Overall Best Print in the Regional Round.

All the qualifying prints now go through to the national finals in Athlone in February so good luck to all there!
