

Dundalk Photographic Society retain Rosebowl

Dundalk Photographic Society are celebrating more success in this year's National Club Finals! The finals saw 26 clubs vying for the honour of Top Club and the competition was particularly fierce with a fantastic range of high quality images on display. The IPF said *"the standard was as high as anything they had seen – the future of Irish photography is a very bright one indeed."*

Many thanks to Mullingar Camera Club for hosting the event and assisting the event coordinators with the difficult task and to Westmeath County Council for use for their fabulous venue, the county buildings.

Overall Dundalk came second in Monochrome Print and first in Colour Prints leaving us first overall. Ciaran deBhal was awarded the silver medal and Tony McDonnell received an honorary mention certificate in Colour Print.
