

Round 3 of Monthly Competitions

Non- Advanced Competition

Last night's club night saw Round 3 of our non-advanced competition. Our judge of the night was Tony McDonnell who did a great job. Indeed, it was said that his comments were very constructive in supporting the entrants with tips and ideas to improve their images and not only judging / scoring them.

The Mono section saw some excellent work with little to separate top images. In the end, only one scored a 20 and that was a still life shot done by Mark English.

In the colour section 3 images scored 20 points. 2 of these also belonged to Mark English and the other belonged to Simon Mullen.

Bragging rights on the night belonged to Mark with his image "Autumn Vase" so well done Mark.

In all, 21 mono images were entered and 26 colour so it was a great turnout. It's great, and very important, to see this skills development as these individuals strive to become our Seniors of tomorrow. Clearly, for some, it's not going to take too long to achieve this.

Thanks again to Tony for his excellent feedback on all images.

Advanced & Senior Competitions

Last night's judge was Richie Hatch from Mid-Louth Camera Club and we say a massive thanks to him for all his comments. I think he left a little bemused at the very high standard of prints that he was faced with and didn't envy the task of having to score them but score them he did.

A number of images scored well in the Advanced Section. In the Black and White, Alex's "Mountain" and Micheal's "Young Love" scored 19 points and in the Colour Section, Freddie's image "Butterflies" got a top score of 20 points.

In the Senior Section, one image scored maximum points in the Black & White and that was Gabriel's image "Arm Wrestlers" whilst in the Colour Section 3 images scored 19 points. Gabriel's "Soldier", Damien's "Gannet Landing" and Tony's "A Stroll on Golden Strand".

Well done to everyone involved and bragging rights on the night for Image of the Month went to Tony for his image "A Stroll on Golden Strand".

So the leaders of the league after round 3 of the monthly competitions are:

- Non-Advanced - Mark English
- Advanced - Freddie McArdle
- Senior - Gabriel O'Shaughnessy

with many others in hot pursuit!
