

Round 4 of Monthly Competitions

Non- Advanced Competition

We had a lower than usual entry on Thursday night but nevertheless Paul had a great variety of images to judge. Mark won bragging rights again this month with two of his images attaining a top score of 20 points. Robert, Simon and Francis were hot on his heels with their images getting 19 points in the different categories but Mark's "Daydreamer" won the bragging rights on the night.

Denis is the judge for the next round of the Non-Advanced competition which is due to take place on the 16th January.

Advanced & Senior Competitions

We had a very interesting night on Thursday with a great variety of pictures in both sections coupled with the judging by the esteemed Ross McKelvey. 3 images stood out in the Advanced Section - "Drifters" and "Venice" by Alex, "Valkyrie" by Eithne with all three images attaining 20 points.

As always the senior section was hotly contested with 4 images attaining maximum points. They were "Street Kids" by Ciaran in the colour section and Colm's "321", Charlie's "The Basket Seller" and Tony's "Sculpture Gallery" in the black and white.

Ross was then left with the unenviable task of selecting Image of the Month and was accompanied by loads of "oohs and aahs" as he took the images off the wall one by one with Eithne and Colm battling it out till the end but it was Eithne's stunning image "Valkyrie" which won the bragging rights on the night, so well done Eithne and to everyone who entered the competition. I think poor ole Ross was slightly distracted by the Christmassy apparel.

So the leaders of the league after round 4 of the monthly competitions are:

Non-Advanced - Mark English

Advanced - Alex Coroliu

Senior - Gabriel O'Shaughnessy
