

Regional Round of Print & Projected Images Competition

North Eastern Region - Print & Projected Image

Many thanks to everyone who helped out in the organising of the PPI. It was great to see it taking place, even if it was a little later than usual. There was a stunning selection of images on display in all sections and most prints entered by members of DPS have qualified for the National Finals which will take place in Kilkenny at the end of February. Hopefully some of us will make it down and it's usually a great day out. All in all, DPS can be very proud of their entries in the regional round taking home 5 out of the 8 awards on the day. The successful images were as follows:

Colour Print Open - 1st Place Advanced - Freddie McArdle - Butterflies
1st Place Intermediate - Brendan Tumilty - Homeward Bound

Mono Open - 1st Place Intermediate - Clodagh Tumilty - Grass & Sand

Mono Theme - Irish Environmental Portraiture - 1st Place - Dave Martin - Anybody Home

Projected Landscape - 1st Place - Dave Martin - Reflections

Huge congratulations to all those who won on the day and to everyone who took the time and effort to enter. As we all know, what happens in the regional round bears no reflection on the National Finals as we wish everyone the very best of luck in Kilkenny.
