

DPS success in 2nd Round of PSA InterClub Competition

Dundalk Photographic Society received international recognition when two of its members achieved honorary mentions for their images which were entered into the Photographic Society of America International inter-club championships. But top honours went to a third society member who was awarded best in show.

The first honorary mention went to Freddie McArdle from Faughart for his image "Goldfinch on Moss".

The second honorary mention went to Charles Flynn from McSweeney Street, Dundalk for his monochrome portrait "Basket Seller".

But it was the illustration by Eithne Ni Anluain from Lordship titled “Valkyrie” and modelled by Raphaella With Love, which won best in show.
