

Tumiltys Do Da Double

The IPF held a Distinctions Sitting in The Barbican, William Street, Drogheda on 20th September. And while many of the club were reveling on the Copper Coast in Waterford on the DPS weekend-away, Brendan and Clodagh Tumilty were fretting over their panel submissions while Gabriel O'Shaughnessy and a collection of other judges awarded one fellowship, five associateships and twenty three licentiatehips. As you can guess from the looks on their faces, Brendan and Clodagh were successful. Heartiest congratulations to them both!
