

Three Way Tournament

Each year, a three way competition is hosted by Ballinahinch, Banbridge or Dundalk. This year was our turn, again, as Banbridge Camera Club are temporarily homeless. Each member was entitled to bring one mounted colour and one mounted monochrome print for inclusion in the competition. The judge this year was Ritchie Hatch from Mid Louth Camera Club and he commented on each image in turn. Each club then selected what it considered to be their ten best images in both the colour and monochrome sections. These were then marked and the club with the most points was deemed the winner.
