

Intermediate & Senior Sixth Round

Deirdre Watson from Drogheda adjudicated the last round of the Senior and Advanced Sections. Deirdre was astounded by the number of high quality images but managed to choose, what I hope you'll agree, was a really beautiful mono image by Tony McDonnell as Image of the Month.

In all, 8 images were awarded 20 points. In the Advanced Section, Clodagh Tumilty had a great week achieving the top score for three of her images...

"Geraldo" in monochrome;

"Peony Princess" and "Beach Boxer" in the colour section.

In the Senior Section, there were 5 images awarded 20 points:

Tony McDonnell for this monochrome image of nude on a jetty;

and in the colour section...

Gabriel O'Shaughnessy	Scorched Kitchen,
Tony McDonnell	Little Boy on a Horse
Arthur Carron	a very nice studio model shot
Marty Garland	An Old American Car

Well done to everyone who submitted images and especially those who images made The Wall on Thursday and thanks to Deirdre for joining us. A full list of the results, with the Leaderboard after our 6 monthly rounds, can be found on the web site in the Members' section.
