

IPF Photographer of the Year Results

Kilkenny hosted the National Final of the IPF's Photographer Of The Year. The range of images up for adjudication were as wide ranging as they were beautiful and textured images seemed to be favoured by the three judges. Overall, only three images were awarded 27 points and they were all in the Colour Print Open,

Bill Power's "A Secret Place" - Gold and title of IPF POTY,

Paul Reidy from Blarney CC - Silver and

Morgan O'Neill - Bronze
