

## Finals Night

What a fantastic night we had to round out the end of the competition year! Seven people qualified for the overall competition in the Non Advanced section and six people qualified in each of the Advanced and Senior sections. This provided a wonderful array of images for our esteemed judges to deliberate over.

Dublin Camera Club

Following the sorting of images, the competition proceeded with the Non Advanced, Advanced and then Senior black and white category. Following a break for tea with cake and buns provided by 'our better halves', the colour category was judged in the same order as the monochrome. In each section, the average score for colour images exceed that for monochrome and, as it progressed, gave a very exciting competition as places were jostled in the overall standings.

## Winners - Non-Advanced Section

Non-Advanced Monochrome		Points
First	Mark Conroy	131
Second	Dermot Ahern	108
Third	Meave Ahern	104
Fourth	Andrew O'Connor	55
