

IPF Distinctions Sitting May 2016

The IPF conducted their May distinctions sittings in the Arts Centre in Mullingar on the weekend of the IPF Club Championships. This year, Dundalk had two entrants vying for Licenciateship, Conor McEneaney and Simon Mullen.

Both men had a long wait as they were allocated positions 23 and 29 from 30 L-panels that were judged after all A-panels and F-panels. In the end, it was worth the wait as both Conor and Simon were successful. Both men expressed their thanks for all the help and encouragement from other members of DPS for inspiring and supporting newer members. Well done to all!
