

First Night Back

And so another season begins for [Dundalk Photographic Society](#) and what better way to start than to remind us of what it took to win the three sections of Photographer of the Year in 2015/2016. [Mark Conroy](#), winner of the Non Advanced section, [Clodagh Daly Tumilty](#), winner of the Intermediate section, and [Tony McDonnell](#), winner of the Senior section, each presented their images from last year with some great insights on how they were taken and why they were chosen. Let's hope this year's competition turns out to be as nail biting as last years!

Tony McDonnell DPS Senior Photographer of the Year 2016

Clodagh Daly Tumilty DPS Intermediate Photographer of the Year

Mark Conroy DPS Non Advanced Photographer of the Year

In other news, DPS came top of the 'B Division' in the PSA inter club championship which means we have been promoted to the top division. In the last round, Brendan Tumilty received an award for his image.
