

First Intermediate & Senior Qualifier

And so another competitive season begins for the intermediate and senior cohort in DPS and Colin Bell ARPS AIPF, from Drogheda, was our judge. Colin is a freelance professional photographer who specializes in sport. He is a regular contributor to the Dundalk Argus and the Drogheda Independent. Colin is currently a member of Mid-Louth Camera Club and is a former Chairman of Drogheda Camera Club.

Gary Murphy scored top marks in the Intermediate B&W section with “Three Men and a Car” that showed a vintage reenactment scene of a car in a garage, presumably being serviced. The quality of this image impressed Colin so much that he awarded it Image of the Month.

In the Intermediate Colour section, a beautiful image entitled “Delicate Flowers in a Bottle”, presented by Conor McBride, was awarded the top mark of 20 points.

In the senior B&W section, three images were awarded 20 points. Gabriel O’Shaughnessy, Dave Martin and Clodagh Tumilty presented these. A great result for Clodagh, as this was her first competition in the senior ranks.

Gabriel O’Shaughnessy and Damien O’Malley shared the spoils with 20 points each in the Senior Colour section.
