

Christian Brothers Past Pupils Camera Club

On Thursday a delegation from our club travelled to Belfast to the Christian Brothers Past Pupils Camera Club. It was a very enjoyable evening meeting the members of this club who are based on the Antrim road. We were greeted by their chairman Hugh Russell (former Olympic bronze medal boxer) and shown wonderful hospitality on the night. Our speakers included our three winners from last season Mark, Clodagh & Tony and then complemented by Arthur, Dave & Damien. Each of these members displayed images from other club members and then displayed and talked about their own images. The members of the CBPP camera club delighted in the quality of the images on display on the night. They are due to visit Dundalk next March to display their work in a similar fashion, which should be an interesting night.
