

Third Non Advanced Qualifier

This week we had the third round of the non-advanced competition with Gabriel in the adjudicator's hot seat. There were five images that claimed a top score of 20 but it was Alan Carolan who claimed the image of the month with "Seaside Colours".

| Andrew O'Connor | Colour | Light Flower |

Alan Carolan is presented with Image of the Month by Gabriel O'Shaughnessy

After the scores were counted it leaves the standings very competitive at the top with Alex on 216, Alan, Andrew & Fra on 213, and Dermot & Meave on 208. Incredibly only 8 point separates the top 6 so no time to rest on your laurels, keep clicking and you all have plenty of time to prepare for the next round in January over the Christmas period.
