

Fifth Advanced and Senior Qualifier

Gerry Kerr was our esteemed judge on Thursday night, filling in for Ger Kelliher who had been scheduled to judge. It was tense for those who are one step closer to qualifying for finals night. The banter and friendly heckles from the second row allowed everyone to relax as Gerry provided comments along with his marks for each picture. For the non-seniors, Gerry's comments on choice of paper for maximizing impact with different picture styles were insightful.

Each of the following authors with their images, scored the maximum of 20 points in their respective sections
