

Finals Night

From the six monthly competitions, six photographers from each section qualified to compete on Finals Night. Our judges Michael Maguire and Kieran Murray came from Ballinahinch and Mark Sedgwick came from Celbridge.

Unlike the monthly competitions, Finals Night is meant to better simulate a salon. Each photograph is placed in a light box and the three judges score from 1 to 9 each. So 27 is the maximum mark achievable for a single print.

There was some tough marking from the judges and I am sure some egos were bruised but all present agreed the ultimate winners of each section were deserving of their new titles.
